

# Pilot Health and Rehabilitation

Incident  
testing

Lifestyle  
issues

Assessment  
2 part

```
graph TD; A[Incident testing] --> C[Assessment 2 part]; B[Lifestyle issues] --> C;
```

The diagram is a flowchart on a dark teal background. It features three main elements: two rectangular boxes at the top and one rounded rectangular box in the center. The left box contains the text 'Incident testing', and the right box contains 'Lifestyle issues'. Both boxes are light teal with a slight gradient. Two curved arrows originate from the bottom of these boxes and point towards a central rounded rectangular box. This central box has a dark teal gradient and contains the text 'Assessment 2 part'.
